New AC Delco Dealer

We are pleased to announce that CDC, our Mississauga Distribution Centre, will now carry the complete line of Premium AC Delco Parts. In conjunction with our own inventory, we now have access to over 1,000,000 square feet of inventory on an overnight basis. Customers requiring assistance on AC Delco parts look-up can contact our AC Delco Parts Specialist toll free at 1-800-834-1836. These Parts Specialists have unique GM Parts look-up software including VIN code identification, vehicle schematics and OEM interchanges that assist in difficult GM application parts look-ups. Installer customers are encouraged to become TSS (Total Service and Support) members. Membership offers internet based training with "AC Delco - On Demand" as well as hands on training. The TSS program offers many additional benefits and is one of the fastest growing installer based programs in Canada. Call your sales rep today for more details.

Health Canada Warning

Recently Health Canada issued a new interpretation of provisions of the Consumer Chemical Container Regulations (CCCR 2001) pertaining to very flammable aerosols, in particular those offered for sale at retail.

These products must not be placed on shelves.

Certain chemical products that could be used in the home must have special child proof packaging. Certain chemicals are not compliant.

Please ensure **KLEEN-FLO BRAKE KLEEN #313** is stocked behind the counter.

New Look of Customer Connect

The third stage of *Customer Connect* has been introduced. Look for enhancements in usability, speed and aesthetics. Click the **Login** button for more details.

Dorchester Rod & Custom

Canusa/APC is proud to be a key sponsor of the *Dorchester Rod & Custom Show* on August 17-19, 2007. If you are in the area, drop by the Dorchester Fairgrounds at 4939 Hamilton Road in Dorchester, Ontario for this great event. Friday & Saturday are Dance & Karaoke nights and Sunday tops off the weekend with the Rod & Custom Car Show with up to 400 vehicles in attendance.

Car of the Month

1966 Chevrolet Chevelle SS

An extremely rare triple black 1966 Chevelle SS. A true 138 California built car that's been treated to a complete nut and bolt rotisserie restoration. The original 396 was replaced with a 468 cu in dynoed at 480 hp. Photos of the restoration and many books go with this straight and highly detailed muscle car.

Call for Details.
