SPECTRA PREMIUM Industrial Products

CANUSA/CDC is pleased to announce that Spectra Premium Heavy Duty Industrial Radiators are now available at all locations. Also available are industrial heater cores, condensers, oil pans, and sending units. Spectra Industrial products will be available as special order items with next day delivery to the installer. Each all-aluminum radiator is created with a high standard of quality and has passed a rigorous testing process. Spectra has also added design improvements such as clevis pins (on selected models), stress relief cuts and reinforced headers/tubes. For more information contact your local sales representative or visit www.canusa-cdc.com.

New Part Numbers Added

We have added over 125 new part numbers in the following lines:

Line Code	# of Parts Added
Magnaflow (MAG)	4
Spectra Premium (SSU, GAS, SCO, SRD)	29
Monroe (MSH)	37
Dorman (OES)	13
Cardone (CSP, CRP)	93
Blue Streak (BSI)	14

New from Dorman

Windshield Washer Hose

97-07 Ford Taurus/Mercury Sable #924-250

- 60% OE Failure Rate
- Hose must be replaced when OE connector cracks
- Stronger grade of plastic than OE
- 1 SKU covers 3.9 Million VIO

New Chassis Line

CANUSA/CDC is pleased to announce our new second line chassis company: XPRESS Automotive Supplies. XPRESS is a Canadian company from Brampton, Ontario and will be available to us March 1, 2009. XPRESS imports all their product from Taiwan and believes in high quality product and excellent packaging. They have excellent coverage of import, domestic and "newer" vehicles. View the catalogue online at www.xpressautomotive.com.

New Marketing Material

New AP Exhaust catalogues, product bulletins, and wall charts (APETWC0108 tips & HDWC13 TruckEx) will be available February 15th from the warehouse. Contact your local sales representative and find out how to get yours.

FMSI Part Number Supersedes

The CANUSA I.T. Department has recently superseded all numbers* in the FMS line into the *Handy Pack* program. This means all FMSI numbers will end with the suffix "HP". ie: CNKNB12 is now CNKNB12HP

*Brake line numbers excepted.
