## Retirement

---

Congratulations to Matt Richardson of the Canusa Purchasing Department on his retirement. Matt has been in the Aftermarket Parts industry for 42 years and been a valuable member of the Canusa team for the past 8 years. Brian Walsh has accepted the vacancy in the Purchasing Department and will no longer be on the order desk. Brian will still be available for placing orders of specialty tools and equipment but his primary role will be purchasing.

## Deal Central

---

The “Deal Central” phone numbers will be no longer available as of July 31, 2010. These phone lines will be cancelled:

519.268.6228

519.268.6202

888.728.2924

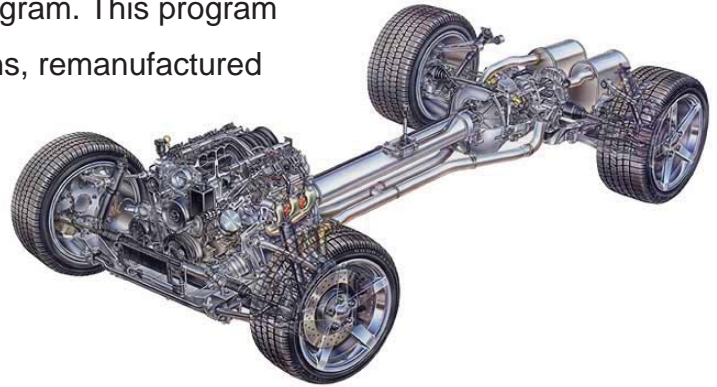

Customers can call the Canusa Order Desk for all parts ordering. Please update your records and call 519.268.7294 or 800.265.9800 to order your parts. All Canusa counter staff can process of bulk order deals or “call in” promotions under authority of Counter Manager, Shawn Mercier.

## Genuine GM Parts

Canusa is pleased to announce our GM Powertrain Program. This program includes remanufactured GM Goodwrench transmissions, remanufactured transfer cases, and new & remanufactured GM engines and performance engines. Transmissions, transfer cases and engines (excluding performance) come with a transferable 3 year/160,000 km warranty.

## ACDelco® NEW from ACDelco

Diesel Exhaust Fluid is now available in the Canusa warehouse. ACDelco's Diesel Exhaust Fluid is an Aldehyde free, NOx reducing treatment for diesel engines equipped with a Selective Catalytic Reduction (SCR) system. This product is required in 2011 Chevrolet Express, GMC Savanna vans, Chevrolet Silverado and GMC Sierra pickups.

## DORMAN. Service Dealer Guide

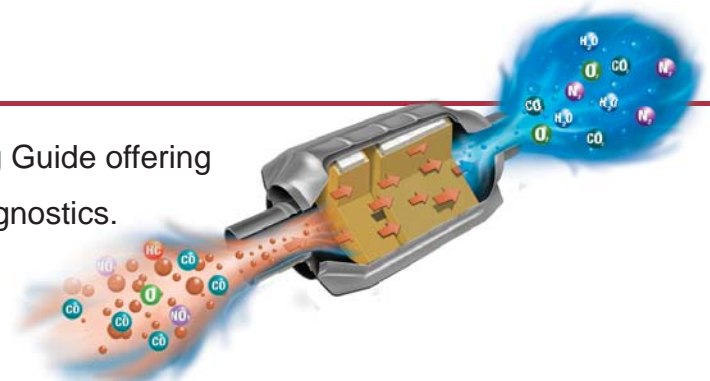

OE SOLUTIONS™

Dorman OE Solutions has released Volume 2 of their 2010 Service Dealer Guide. Contact your local sales representative for a copy or visit [www.dormanguide.com](http://www.dormanguide.com) and select Digital Resource Library.

## Catalytic Converters

AP Exhaust has released an Emissions Troubleshooting Guide offering tips and facts about catalytic converters and system diagnostics. Ask your sales representative for more information or download the guide from the Canusa web site.
