FOREIGN CAR PARTS

Introducing our new Foreign Car Parts Store to be opened later this month. This store will be dedicated to import vehicle parts with specialists on Asian and European makes & models. We will be featuring dedicated FNP product lines and a 1-800 number to speak directly to a Foreign Car Parts Specialist.

New Chassis Line - See inside for sneak peek.

Price Updates

ACDelco (All Lines) March 1, 2009

Tools & Equipment (OTC) March 1, 2009

New Catalogues

Product	Line Code	Part #	Description
ACDelco	ACD	45A-120-09	Chassis Parts - Alignment Products
Carlson	CRL	C-101	Brake Parts 2009
Lucas Oil	LUC	2008	Lubricants

New Chassis Line

Canusa/CDC has now completed the changeover to our new second line chassis XPRESS Automotive Supplies. XPRESS is a Canadian company which imports its parts from Taiwan. Their mission is to provide high quality products and wide coverage. Autopart International chassis (ACI) and Orbit chassis (ORC) are no longer available and have been pulled from both warehouses and all APC Stores.

ACDelco® Tool Bucks

ACDelco is happy introduce the NEW *Tool Bucks* program filled with new premiums for the end-user [installer]. Earning is easy. Register your customer with ACDelco, collect proof of purchase and fill out the redemption form. A registration form and brochure will be available for download on both www.canusa-cdc.com and www.autopartscentres.com web sites.

www.canusa-cdc.com

Snap-on and GM have partnered to develop an Electronic Parts Catalog.

Most APC Corporate Stores and both warehouses have upgraded our GM Look-up with this new package.

Features & Benefits

- New Look and Feel - Windows based application allows users to intuitively navigate the application to quickly and efficiently find correct parts information, but maintains the shortcuts familiar to long term Snap-on EPC users.
- All Applications - The GM/Saturn EPC, Supplemental 1, Supplemental 2, VIN RPO with Ultra VIN Filtering, Associated Parts, Broadcast Sheets, Parts & Service Bulletins, Basic Integration to your DMS such as transferring shopping lists.
- Product Enhancements - Modern Graphical User Interface (GUI), E-mail Capabilities (parts & illustrations), Synonym lists, Quick lists, Notes and EPC Feedback Capabilities, plus more...

 **AUTOPART INTERNATIONAL** **Hub Bearing Recall**

Please note we have found AHB bearings that may contain incorrect clips. Part number **49116** should come with both a plastic and a metal clip. **44739** comes with a metal clip only and **44701** has only a plastic clip.

Please check your stock on these numbers and ensure that you have the correct part in the box to avoid customers returns. If you find mislabelled box please return it to the CANUSA warehouse.

 **CARSability Training**

CARSability is a cost-effective, easy to use skills assessment tool designed to identify training gaps for participants in 34 automotive related occupations. CARSability provides immediate and accurate assessments of the true skill levels of participants.

- Comprehensively evaluate the qualifications of potential new hires;
- Compare individual skill levels against job requirements and industry standards;
- Precisely identify skills gaps and training needs; and,
- Link to industry's best sources of technical and business skills training.

Visit the www.canusa-cdc.com and click the "Training" section to learn more about CARS and preview their promo video. Contact Cam Pettinger at 519.282.0957 to see if you qualify to participate.

 **Oil Dry Line Change**

Please note: HAL 881 oil dry will no longer be available at either the Canusa or CDC warehouses or APC stores. We have replaced HAL 881 with *Qualisorb* number **628N** under line code **CEM**. We apologize for any inconvenience this may cause but do believe you will be satisfied with this new product.
